If you've been looking for a home that feels comfortable, easy, and close to everything Dawsonville has to offer, this one may be exactly what you've been waiting for. Tucked away in Red Hawk Ridge just minutes from downtown Dawsonville Square, this 3-bedroom, 2-bath ranch combines modern finishes with the kind of layout that simply works for everyday life. Step inside and you're welcomed into an open living space where the cozy fireplace naturally becomes the heart of the home - perfect for quiet evenings, movie nights, or gathering with family and friends. The kitchen was designed to keep everyone connected, featuring a view into the family room along with stainless steel appliances, quartz countertops, a beautiful marble backsplash, and plenty of space for cooking and conversation. The spacious primary suite feels like a private retreat at the end of the day with a large walk-in closet and a beautifully updated ensuite bath featuring a double vanity with quartz countertops and a tiled shower with dual shower heads that feels a little like bringing the spa home. Outside, the private back patio and yard offer the perfect spot for morning coffee, grilling on weekends, or simply enjoying a little quiet time outdoors. All of this in a location that puts shopping, dining, schools, and the charm of Dawsonville just minutes away. This is the kind of home that makes everyday living feel easy.
